

VICSPORT

The Victorian Child Safety Standards apply to all Sporting Organisations that operate and provide sporting services to children within Victoria. All sporting clubs are required to comply with the legislation and should be taking reasonable steps to do so.

The Wimmera Regional Sports Assembly is offering a free Child Safety Standard Workshop in Horsham and we are inviting all local sporting clubs to attend this session.

Horsham Workshop

Where: Horsham Rural City Council reception area

When: Wednesday 29 May from 7:30pm until 9:00pm
